

## Workforce Development Board Mid-Ohio-Valley

**Policy # 12** 

Subject: Individual Training Accounts (ITA)

Effective Date: May 1, 2017

**References:** Workforce Innovation and Opportunity Act, Section 134 (c) (3) (F) (iii), (G), WIOA Sec. 3(7)(B), and WFWV Guidance No. 15-12 Change 1

**Background:** Workforce Development Board and Opportunity Act identifies the Individual Training Account as the primary means of providing training to eligible individuals (as defined by the Workforce Innovation and Opportunity Act) and who are not able to obtain grant assistance from other sources or require WIOA assistance in addition to other sources of grant assistance. The ITA system is designed to provide customer choice within the guidelines established by the local Workforce Development Board. TEGL 17-07 allows the use of Technology Based Learning (TBL) as an approved means of training.

**Policy:** The Workforce Development Board Mid-Ohio Valley has established the following guidelines to be used in implementing Individual Training Accounts, *if funds are available*:

- ➤ WIOA funds will be obligated for the current fiscal year in which the award request is approved. All ITA/Scholarship Award Requests issued will expire on June 30 of the fiscal year in which they were approved. Any exceptions must have the Workforce Development Board's Director or her designee's approval prior to the end of the fiscal year.
- → All WIOA Adults, Dislocated Workers, and Youth applying for an Individual Training account (ITA) must pass drug testing as required in guidelines outlined in WFWV Guidance No 15-12 Change 1, to be enrolled in and be eligible/receive funding for an ITA.

#### **Award Limits**

#### Funding:

- A maximum of \$4000 in WIOA funding may be available for the first year of training with a maximum of \$8000 available over a 36-month period to potentially be used for tuition, fees, books, and required supplies.
- ➤ If other financial aid is available (excluding loans), it must be applied to **tuition and fees** prior to WIOA funds being expended. WIOA **funds may be applied to books and required supplies prior to other financial aid.**
- Distribution of Funds: WIOA funding will be distributed proportionally considering the following; length of training, program of training, financial aid, projected expenses over the course of training, and WIOA funds available.
- ➤ <u>Time</u>: The WIOA customer has 36 continuous months to complete training, calculated from the start date of the term WIOA began funding training. No extensions will be issued.
- Training limits: Customers will qualify for one (1) occupational training program in each

five-year period. This requirement may be waived if a customer is affected by sudden, severe economic dislocation or approved by the Workforce Investment Board Program Director or designee

• If funding is limited, a Standard Operating Procedure is in place to prioritize the applications

for training programs.

## **Types of training funded:**

- ➤ Training must lead to employment in an occupation that meets the guidelines in WIB MOV Policy on Demand and Targeted Occupations (Policy #11)
- ➤ WIOA training funds may only be used for training in programs that have been approved and are on the state training provider list.
- > Programs that are considered a "Career Pathway," including preapprenticeship/apprenticeship programs that lead to improved employment opportunities.

### **Submission Deadline**

All ITA's must be received to the WDB at 5 business days prior to the start date of training. This will allow the staff to review funds exist to cover all costs included in the ITA.

## **Lapse in Training**

If there is a consecutive 30-day lapse in training for any reason, other than an approved medical leave or emergency leave, the ITA will be cancelled and all remaining funds will be de-obligated. Medical leave or emergency leave must be approved prior to a lapse in training by the WDB Director or designee.

### **Additional Requirements**:

To qualify for and continue training, trainees must:

- Document soft skills or complete a Soft Skills training program prior to or in conjunction with skill training
- Complete Career research packet prior to start of training (effective July 1, 2017).
- Demonstrate through assessment results (i.e.: TABE, WorkKeys, college entrance exams) the basic skill sets to successfully complete training and obtain employment in the proposed occupation.
- Maintain a "C" (2.0) grade point average each semester or quarter. The customer will be on probation for the next semester/quarter when the GPA falls between a 1.0 and a 2.0; if two back to back terms are below the 2.0 GPA, funding will be terminated.
- If the GPA for a term falls below 1.0, the award will not be renewed for the next term. If the customer brings his/her grades up to the required 2.0 in that next term, the award may be reinstated once the proper documents are received, if funds are available.
- Have acceptable attendance as defined by the training provider.
- Maintain required contact with Workforce WV case manager.
- Be enrolled in and attend training for all terms until the completion of the program. Prior approval from the WDB Director or designee is required to "sit out" a term.
